

Dear CSDAA Member

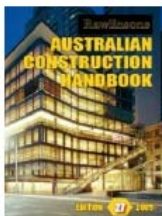

We now have available to us to the 2009 editions of Rawlinsons Australian Construction Handbook and also the Construction Costs Guide.

If you would like certain pages faxed or posted to you please let me know and I'll provide you with the information required.

Below is the list of chapters available in the handbook and guide.

Please note that this resource is ONLY available to members.

Kindest regards  
Nicole Raymond  
CSDAA – Secretariat

**Rawlinsons Australian Construction Handbook** is Australia's largest library of construction cost information, providing vital data to all those involved in medium and larger projects.

**Rawlinsons Construction Cost Guide**  
For smaller projects, Rawlinsons Construction Cost Guide has been formulated to be easy to use and comprehensive.
